

My name is Tahitia Royster and I have been a Joy Parent for the last two years. My Joy Scholar is Malik Snipes. He is in Ms. Trapani's second grade class. Malik has had the honor of winning the school wide Spelling Bee for his grade level during Kindergarten and First grade. This accomplishment helped me realize that Maureen Joy Charter School is the perfect place for my son. Maureen Joy Charter school strives for excellence and so do I as a parent of Joy.

I have been employed by the Durham County Sheriff's Department for the last fourteen years. I currently hold the position of Staff Sergeant. By being a supervisor, I believe that I have abilities that I could utilize in the office as Classroom Parent Liaison Representative.

I have volunteered in Malik's classrooms to help his teachers in any needed areas during his time at Maureen Joy. I am an organized person and I have strong interpersonal communication skills. I think that these qualities would be an asset to the Parent Teacher Organization. I am looking forward to working closely with the PTO. I would like to thank you in advance for your consideration.
